## Pay for College the Smart Way

With college costs growing fast, it's time to borrow smarter. The Smart Option Student Loan® by Sallie Mae offers three repayment options and competitive interest rates to help you pay for college expenses not covered by scholarships and federal loans.

### **PAY MORE. SAVE MORE.**

#### **INTEREST REPAYMENT OPTION.**

Pay interest while in school and for six months after school. The in-school payments, plus our shorter repayment term, can help you save over 20% on your total loan cost compared to our Deferred Repayment Option.

#### **PAY A LITTLE NOW. SAVE A LOT LATER. FIXED REPAYMENT OPTION.**

Pay just \$25 a month while in school and for six months after school.

The in-school payments, plus our shorter repayment term, can help you save over 10% on your total loan cost

compared to our Deferred Repayment Option.

#### **GET MAXIMUM FLEXIBILITY. DEFERRED REPAYMENT OPTION.**

Defer payments until after school, or pay as much as you want while in school, to enjoy maximum flexibility. You'll choose your repayment option during the application process.

Sallie Mae has helped more than 30 million Americans pay for college since our founding almost four decades ago. Applying online is easy and only takes about 15 minutes to apply and get a credit result.

**Christmas Club** amounts were disbursed on October 1st to your regular share account. Open a Christmas Club account by calling or stopping by any branch!
