

# FOOTHILLS FLYER

PUBLISHED SEMI-ANNUALLY FOR MEMBERS OF FOOTHILLS FEDERAL CREDIT UNION

## Now you have a choice.....

It's wonderful to see our members visit the credit union, I have met a lot of members over my 22 years at Foothills Federal Credit Union. I have seen members bring their children in to join and now they are bringing in their children. We enjoy getting to know our members.

The main concern we hear from our members is they do not have enough time for all the events in their life. People are stretched to a breaking point in need of a quicker way to do their financial business. Most members want to have a choice to either visit a branch office for conducting a financial transaction or handle it on their own time by using convenient electronic devices.

Now you have a choice to either come by one of our 3 offices or take advantage of convenient electronic services such as:

- Debit Card
- Homebanking
- Bill Pay
- Mobile Money
- Visa Credit Card
- E-statements

If you have any questions in regard to these services please let us know, we are here for you.
