Back To School

For the past 6 years Foothills Federal Credit Union has been collecting donations from our members and local businesses to buy school supplies for our area school systems. We contact the school and get a list from the teachers of their classroom needs. We are able to purchase these items and deliver them before school begins each year. These items vary each year, some teachers ask for calculators and bookshelves or just the basics like hand sanitizer. Teachers are asked to purchase a lot of these items themselves.

Thank you so much for your Donations and SUPPORT.

Words of Wisdom

“The quickest way to double your money is to fold it in half and put it in your back pocket.”

– Will Rogers

Did you Know?

George Washington was our first President, but not the first President on a circulating coin. In 1909, President Lincoln appeared on a one-cent coin and became the first real person, as well as the first American president, to have his face appear on a regular-issue American coin.
